"A Room With A View" at McNally is a pleasant change for me. Of all the schools in the system, McNally is situated in the most beautiful setting. Coupled with the warmth of the natural sunshine is the warmth exuded by the people themselves, staff and students alike. Almost everyone in this school seems to be striving to do his/her best in a very positive and cheerful way - this is an excellent lifelong quality to have. Kahlil Gibran in The Prophet says a teacher "who is wise does not bid you enter the house of his wisdom, but rather leads you to the threshold of your own mind." McNally students are encouraged to think and because of this they are able to face the future with confidence.

Mr. L. Zbitnew

The year 1986-87 has been a most rewarding one for me. I have greatly enjoyed my association with students and faculty. I would like to extend my best wishes to the Grads of '87. I hope that McNally has been successful in preparing you for a bright future.

Mr. B. Chrusch

Some people have said that teaching is like seeing a re-make of an old movie. The cast changes but the plot and characters remain the same. This is certainly not the case at McNally!

Each year, our students make their own unique contributions to the fine traditions here. We always see new developments in our co-curricular programs, new themes for Student Union activities, new approaches to the Yearbook makeup, new thoughts related to graduation activities, and many innovations on the part of the students and staff. Of course, the well-established tradition of excellence in all that is done at McNally is perpetuated.

I thank all of you for making this year such a great one, and sincerely hope that all students will be able to carry the excellence of this year into the future. You all are truly,

"Nihil Sed Optimum".

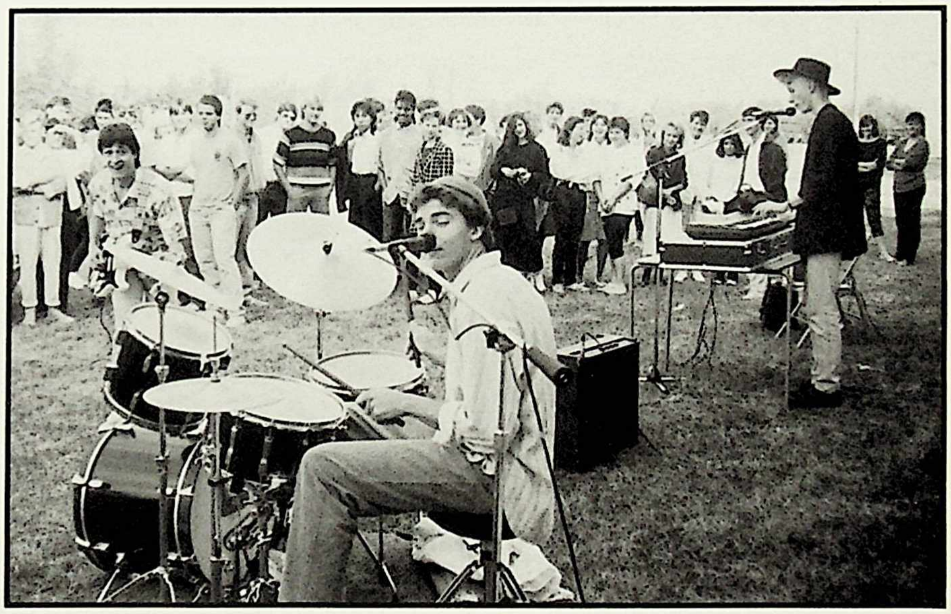
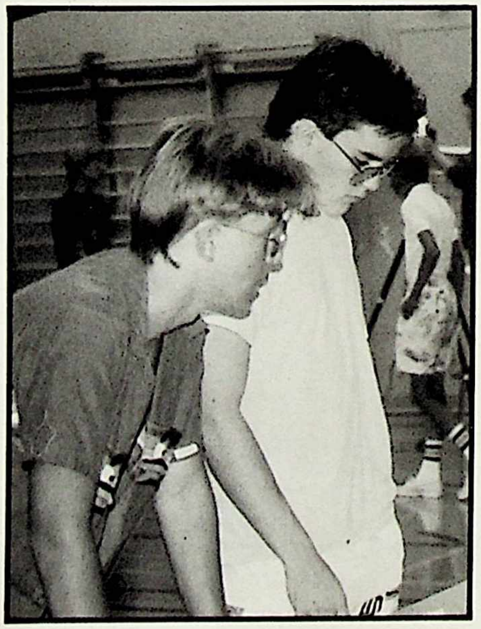
REGISTRATION & WELCOME DAYS





After the '86 summer, McNally students and staff forged their way through the hallways in somewhat of a daze. Registration gave students the chance to reminisce about their summer activities and plan the fun that lay ahead.

Welcome days provided all newcomers with a taste of traditional McNally hospitality. Guide to the Dictionary provided great music while students participated in events such as the tug-o-war, dunk tank, centipede, and chug-a-lug. It was a great way to welcome in the new school year!

GRAND PRIX

On your mark, get set, go! On October 5, 1986, the staff and students of McNally braved the cold to participate in the sixth Annual Grand Prix. Various trikes whizzed around the parking lot under the control of their fearless drivers dressed with the grace and style of any professional. Amidst the chaos and unfortunate team disqualifications, first prize was captured by Dr. Salmon's Salmonheads. All in all, it was an exciting day in race history for everyone at McNally.

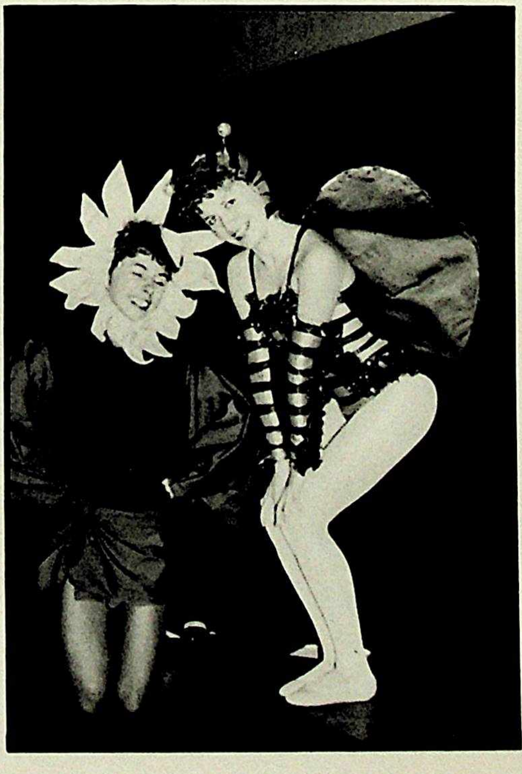
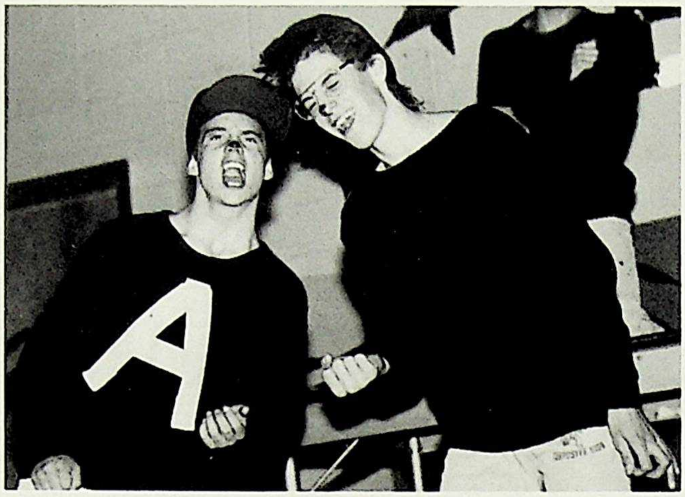
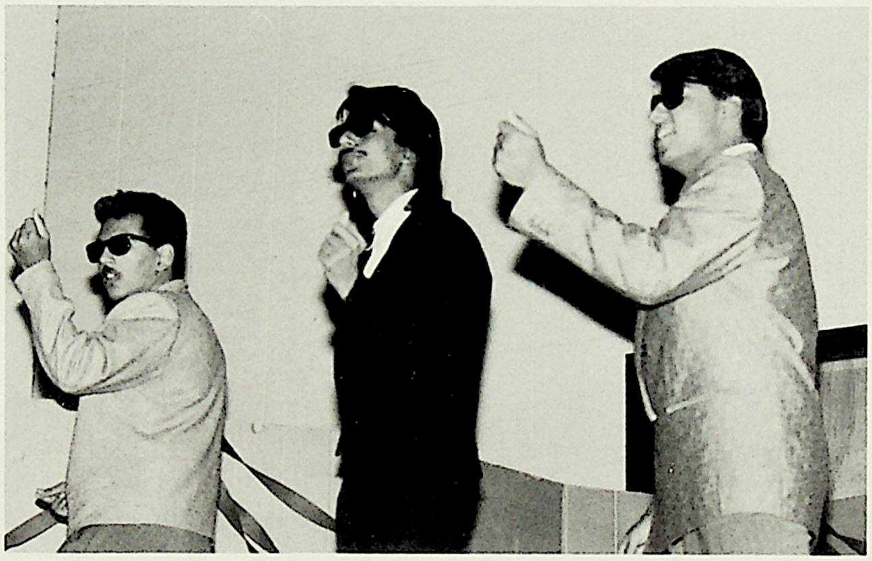
MOVIE MIX-UP

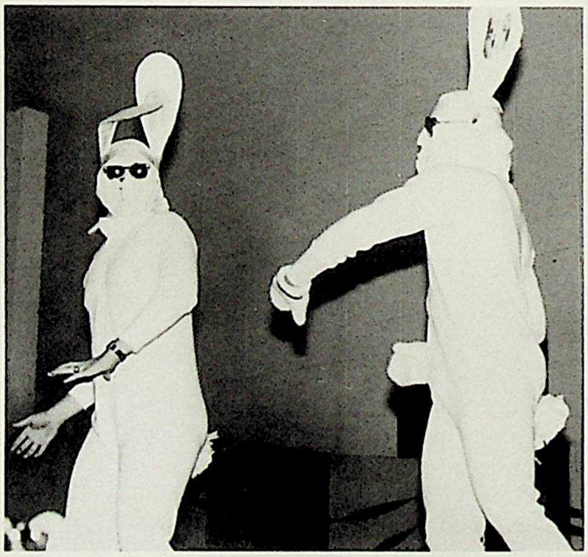
On October 31, 1986, students and staff alike found themselves experiencing Close Encounters with the most incredible creatures seen yet at McNally. Everything from French maids to blue-haired punkers to flirtatious nuns cruised the hallways this day. All period five classes went to work on pumpkin carving, and by noon had created a veritable pumpkin patch complete with Garfield and helmeted football players.



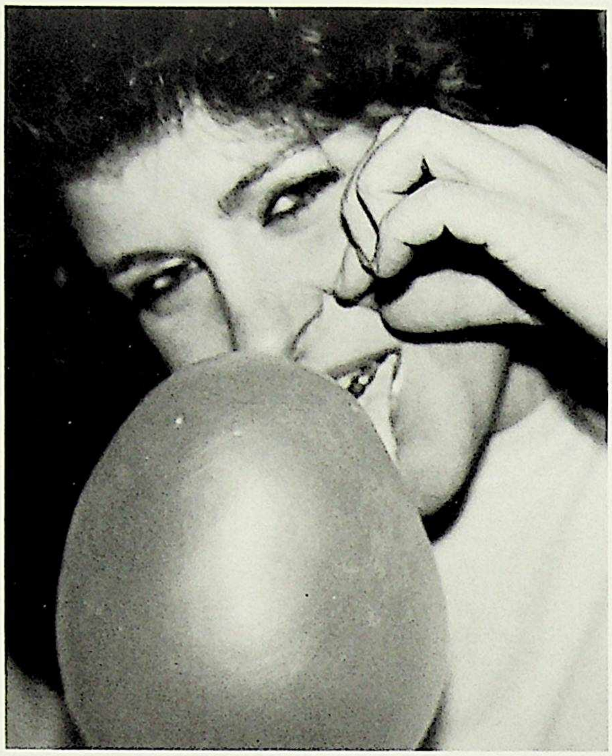
AIR BAND



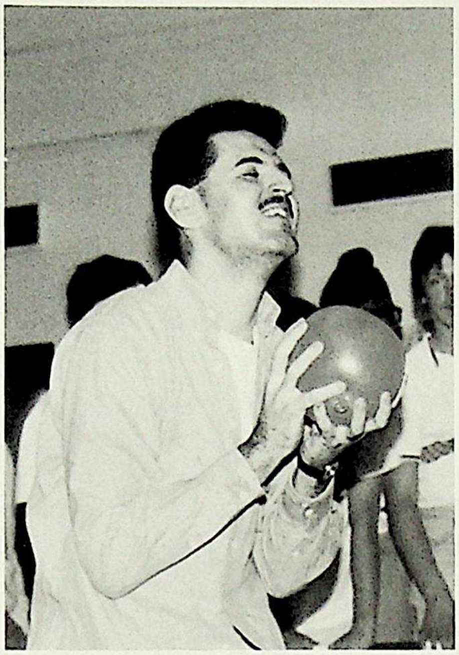




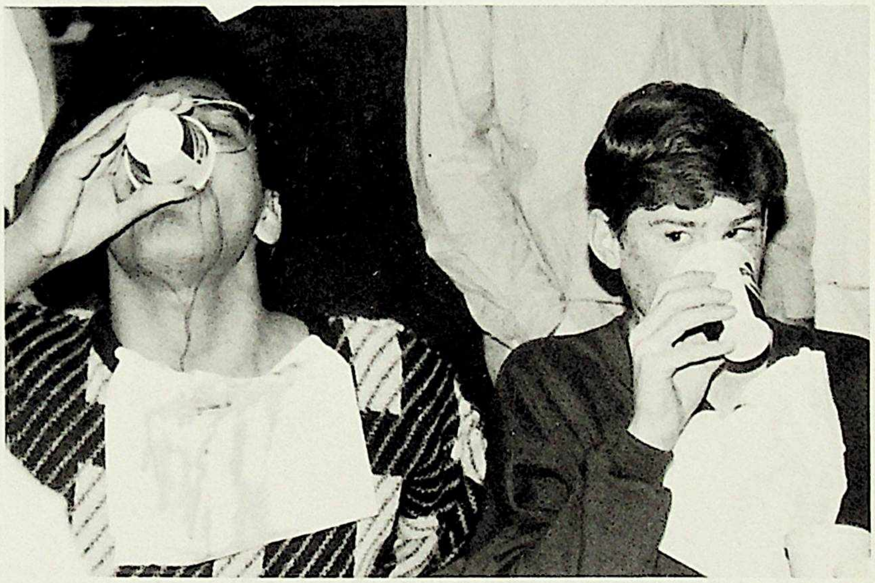
What more could one have asked of the competitors of McNally's Annual Air Band Contest? Of many talented, creative groups, Last Addition captured first place honors with the chic Pablo and the Cruisers boogying their way to second. Third place went to the Mary Jane Girls. A special guest appearance by Nana Mouska and the Second Languages Department wound up the competition.

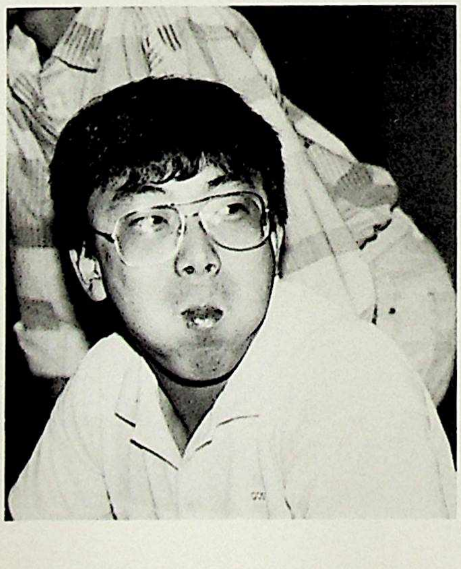


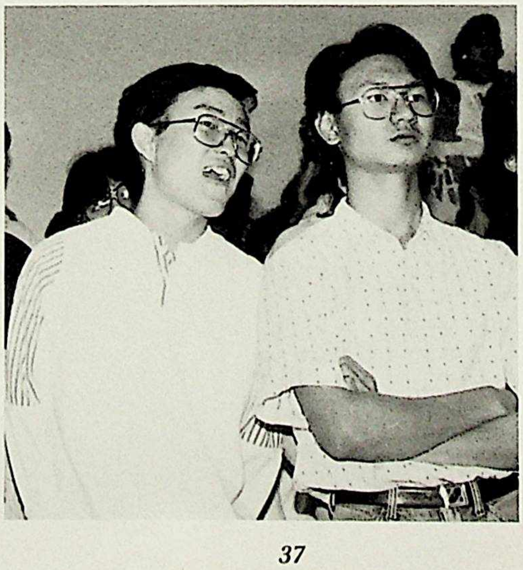
RECORD SETTING

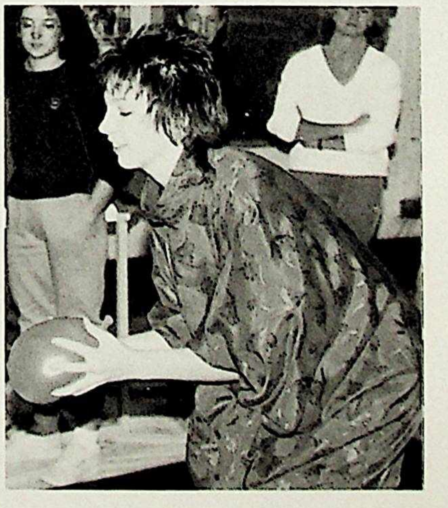


McNally students exhibited remarkable school spirit this day. Record setting events included a water balloon toss, arm wrestling, and a 5000 foot egg drop (well, not quite that high). Root beer was chug-a-lugged by many, and, amazingly enough, Cathie Yakimishyn and Gerritt Bjalek stuffed over 50 pieces of gum in their mouths. All who participated deserve some congratulations for showing their Tiger Pride!









P.J. & TACKY CLASH DAY

November 27, 1986, found McNally students roaming the halls in P.J.'s and fuzzy slippers. Those who did not dress up missed out on the opportunity to show off their sleepwear, as some did in designer robes to baby-dolls.

Look out — it is obviously the Revenge of the Nerds in 3-D. Polyester pants, hot pink ties, and purple polkadotted shirts were some favourites among those who dressed up for Tacky Clash Day.

PROUD TO BE CANADIANS

Multicultural Awareness Week was held in February, and the theme was "Proud to be Canadians". With the aid of many volunteer teachers and students, this week was a tremendous success. Students and teachers dressed up in ethnic costumes, many cultural dance troups performed, guest speakers were impressed with our efforts and the Cambodians were great! Food sampling stations were set-up in the small gym each noon hour along with various cultural entertainment. It was wonderful to see so many students share their culture in the open spirit of Canadianism! Thanks to all those who participated, Multicultural Awareness Week will hopefully become an annual event at McNally.

STUDENTS' UNION

ROARY McTIGER
McNALLY

Being the head of this year's Student Council was a real experience for me. I was very pleased to see that all different types of McNally students were represented on the council. I want to take this opportunity to thank each member of the council, as well as some great non-member helpers, for their dedication to the council and endless hours of work to make this year a real success. We did our best to ensure this, but it was, and really is up to you to become involved with TIGER PRIDE, and decide for yourself.

Thanks for the memories, McNally.

ROLE PLAYING CLUB

To the reader,

Instead of talking about the club, this is what really happened in our basic three groups.

The bag of Holding: (Jeff) "Gem, gold piece, rod, herbs . . . I know it's in here somewhere . . ."

Meanwhile, the group is being attacked by a Wizard.

(Young) "I shot the Wizard."

The Wizard, who is in the act of casting a spell at the time, results in the destruction of three square blocks: Then came the dreaded Wish.

(Craig) "I wish we had all of Young's equipment."

(The group) "No!"

As Young's castle, treasure horde and all of his weapons appear over them, we briefly sum up everything else.

(Jennifer) "Ah, there are fifty mean dwarves behind that door."

(Rob) "It's for you."

Jason had a run in with the Black Knight. Lance had fun throwing his friends to the mob. Martin was "missiled down" from his hang glider by Charles. Don learned a new way to beat King at Chess. The Game Master's had fun thinking up new ways to destroy, mutilate and drive his group crazy. As I leave, please remember this:

"Eye to newt, pearls sand, ah a feather. Hey guys, I found the spell component for the teleport shell. Let's get out of here. Guys? Where did you go? And where did the castle come from?"

Sincerely,
William,
The Prez

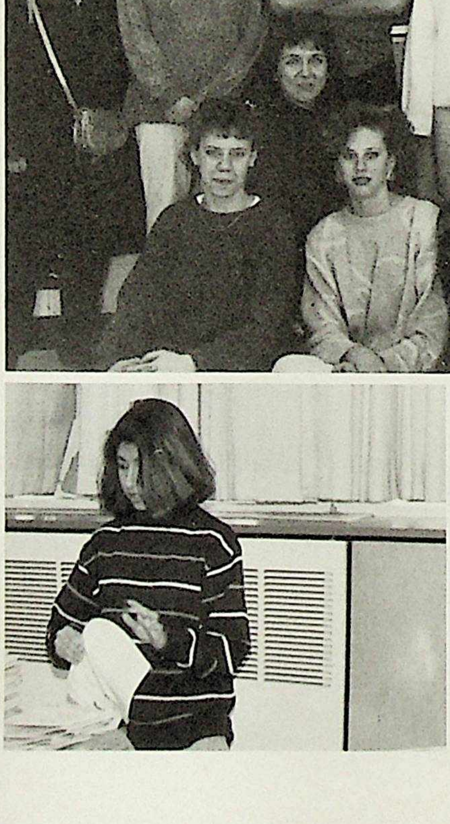
TRAVEL CLUB

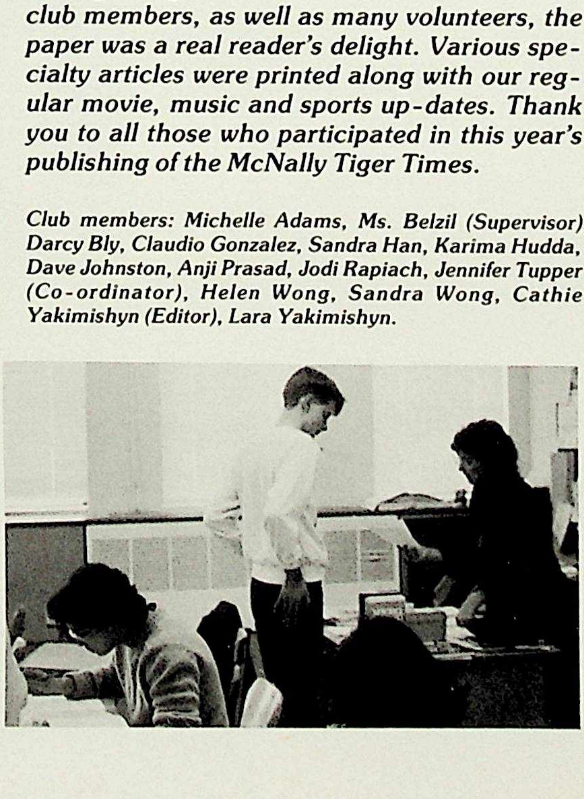
This year's McNally Travel Club had an exciting trip. For 18 days we travelled through seven countries: Germany, Austria, Switzerland, Yugoslavia, Italy, France and England (WOW!). Twenty five students (with a 1:4 boys:girls ratio) and Mr. and Mrs. Johnson rented a Mercedes bus (how about them wheels!), and just lived it up. New friends were made, and coming back was dreaded. But there's always next year . . .

NEWSPAPER CLUB

This year there were many dedicated people contributing to the McNally School Newspaper. By putting in many hours of hard work, we managed to print four issues. With the aid of all club members, as well as many volunteers, the paper was a real reader's delight. Various specialty articles were printed along with our regular movie, music and sports up-dates. Thank you to all those who participated in this year's publishing of the McNally Tiger Times.

Club members: Michelle Adams, Ms. Belzil (Supervisor), Darcy Bly, Claudio Gonzalez, Sandra Han, Karima Hudda, Dave Johnston, Anji Prasad, Jodi Rapiach, Jennifer Tupper (Co-ordinator), Helen Wong, Sandra Wong, Cathie Yakimishyn (Editor), Lara Yakimishyn.

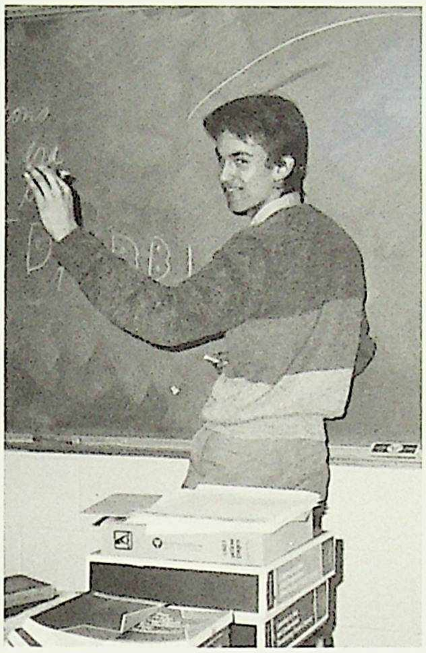


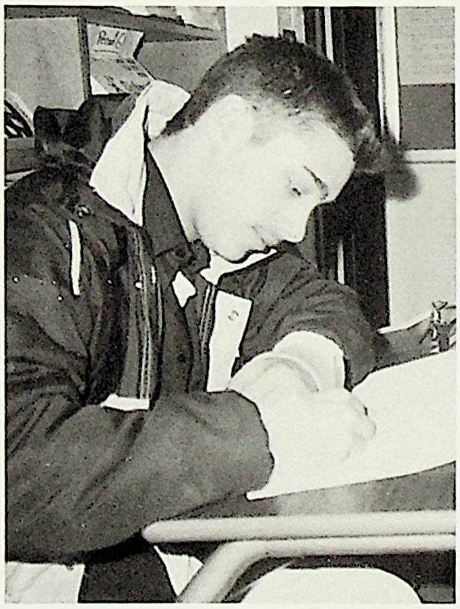


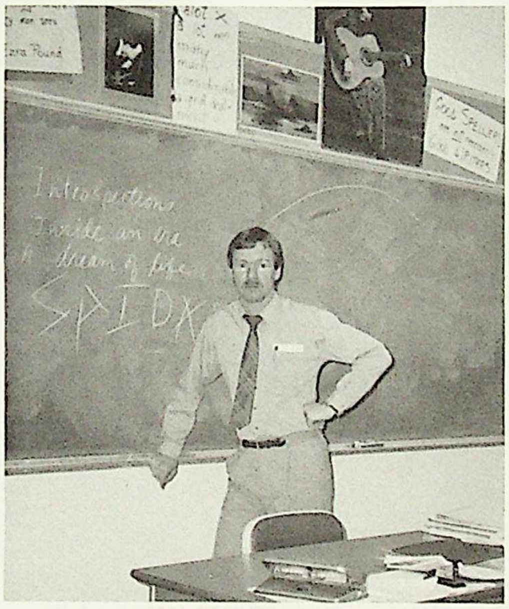
LITERARY ARTS CLUB

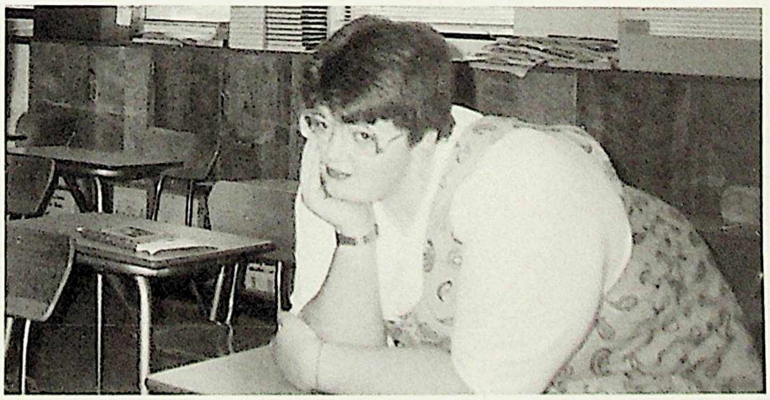
The purpose of the Literary Arts club is to encourage and promote the artistic and literary talents of McNally students and to publish an annual authology of students work. This year the club has published a new collection of student illustrations and writings called SPIDABBLE.

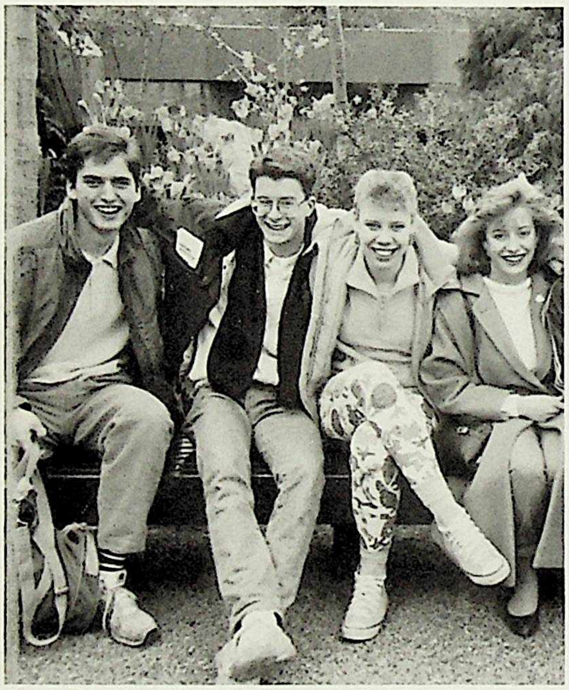
Club members: Stephen Dodd, Mr. Fahlman (Supervisor), David Johnston, Stephanie Madill, Stephanie Maitson, Michelle Plitt, Mr. Wood (Supervisor).











FRENCH EXCHANGE

Feb. 26, 1987, marked the beginning of an exchange program of 22 students from McNally and Caraquet, NB. The visitors to McNally enjoyed seven days touring Banff and Edmonton. The sights taken in included the Banff Hot Springs, Esso Refineries, Fort Edmonton, the Convention Center, City Hall, the AGT building, various art galleries, the Provincial Museum, Muttart Conservatory, and (of course), West Edmonton mall. The McNally students left April 30 and spent a day and night in Montreal before reaching their final destination of a seven day stay in Caraquet, NB.

SNOWFEST

McNally's 2nd Annual Snowfest was held on Feb. 25 during the period 9 tutorial. Unfortunately, participation was down due to the cold weather conditions that day! The events held this year were the toboggan race, the tug-o-war, and the fifteen legged race. The illustrious victors were as follows: Mrs. Maxwell's Math 30 class (tug-o-war), and Miss Davidson's IB Chemistry 10 class (15 legged race and the toboggan race). Thanks to Mr. Murphy for contributing the wonderful trophies.

RIVALS DAY

The main purpose of this day was for Edmonton Oilers fans and Calgary Flames fans to show support for their team. The winners of the contest were as follows. 1st place, Wanda Lopeter (Oilers/Flames games tickets). 2nd place, Mel Zimmerman, and 3rd place tie between Bill Taylor and Debbie Havrelock.

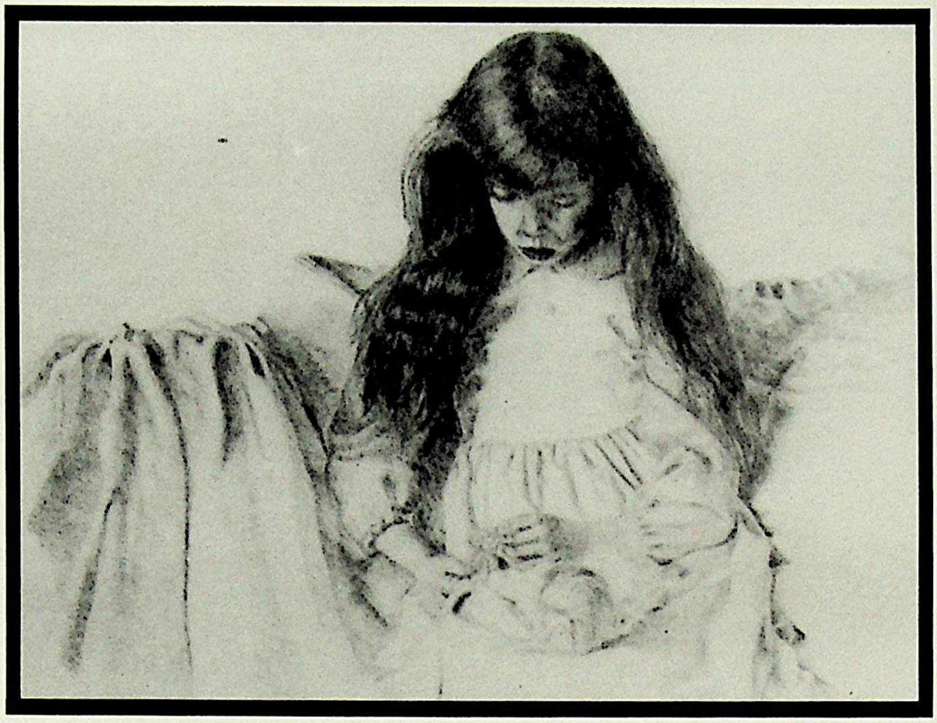
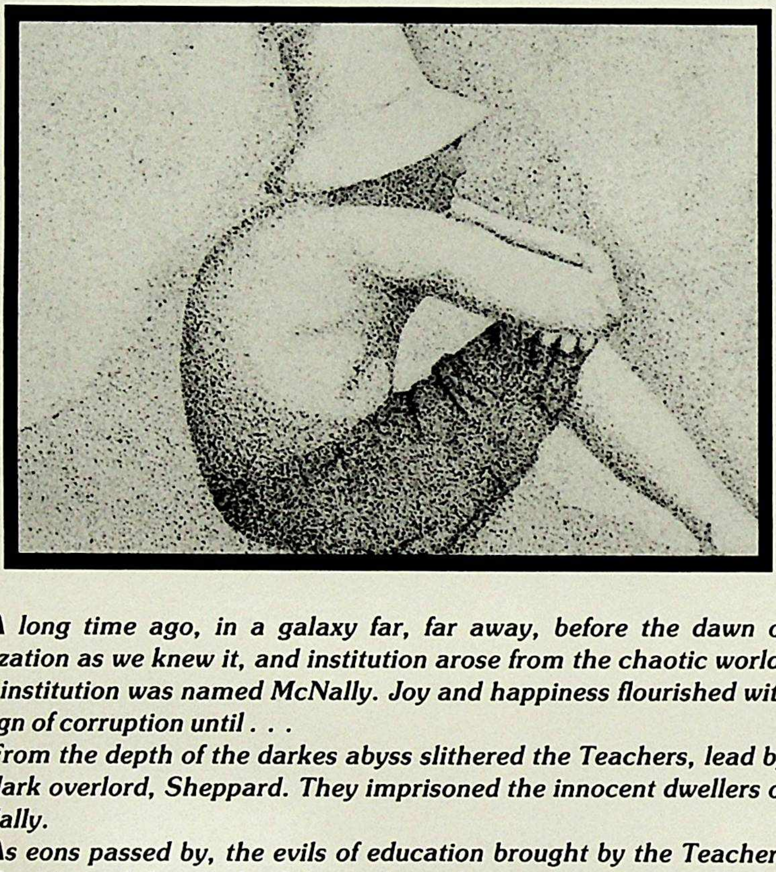
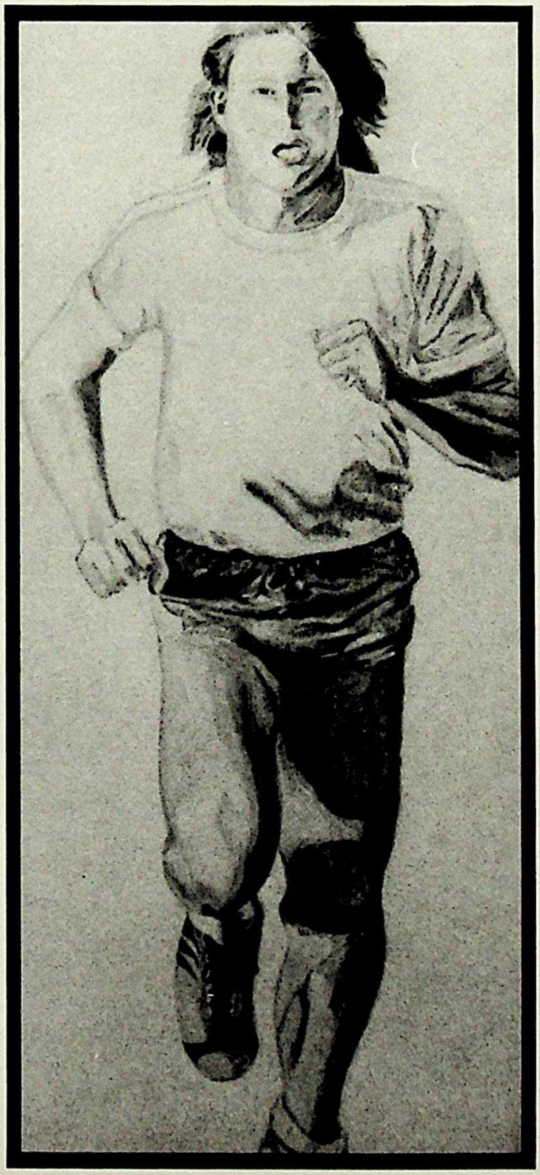
REFLECTIONS

Uncertainties staring me in the face,
Wondering who I am and what to do,
Opening my eyes wide,
Trying to see a clear-cut path,
Seeing only rising fog,
Swirling before my eyes,
Wishing I could see
My future in a
Crystal ball,
Years will pass
And
Years have passed;
Wishing I could change
My past in the
Mirror,
Seeing through the falling rain
Clinging to my eyes,
Trying not to see the jagged path,
Closing my weary eyes,
Wondering who I am and what to do,
Circumstances glaring me in the face,
O, to be young again!

A.L.







A long time ago, in a galaxy far, far away, before the dawn of civilization as we knew it, and institution arose from the chaotic world. This institution was named McNally. Joy and happiness flourished with no sign of corruption until . . .

From the depth of the darkes abyss slithered the Teachers, lead by the dark overlord, Sheppard. They imprisoned the innocent dwellers of McNally.

As eons passed by, the evils of education brought by the Teachers slowly poisoned the minds of the students; however, a glimmer of hope shone through the dark clouds of evil that shrouded McNally. The freedom fighters, Union of Students, rode into McNally to fight the hold that the Teachers had on the students. They fought with courage and conviction. Both sides suffered immence casualties, but the battle continues . . .

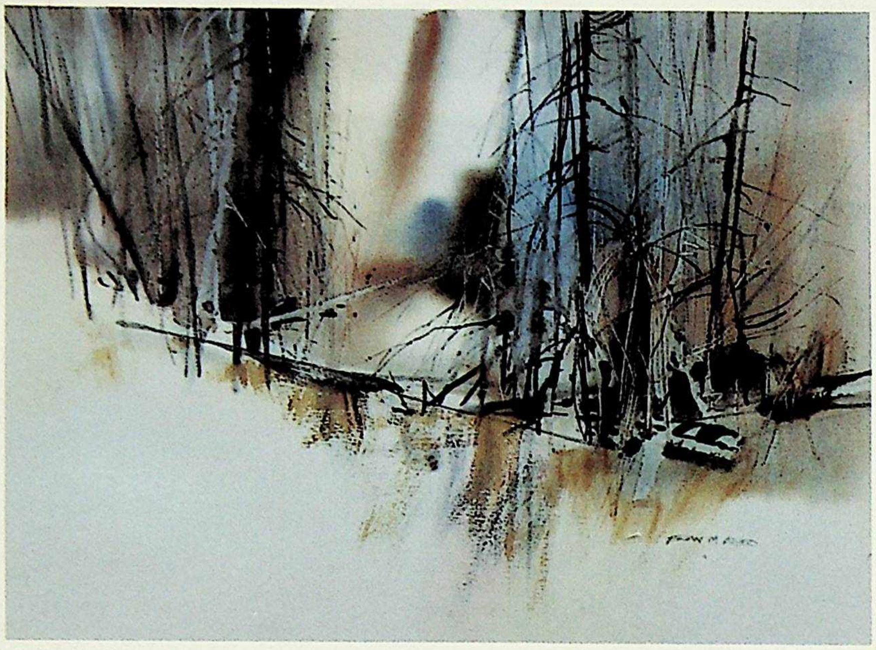
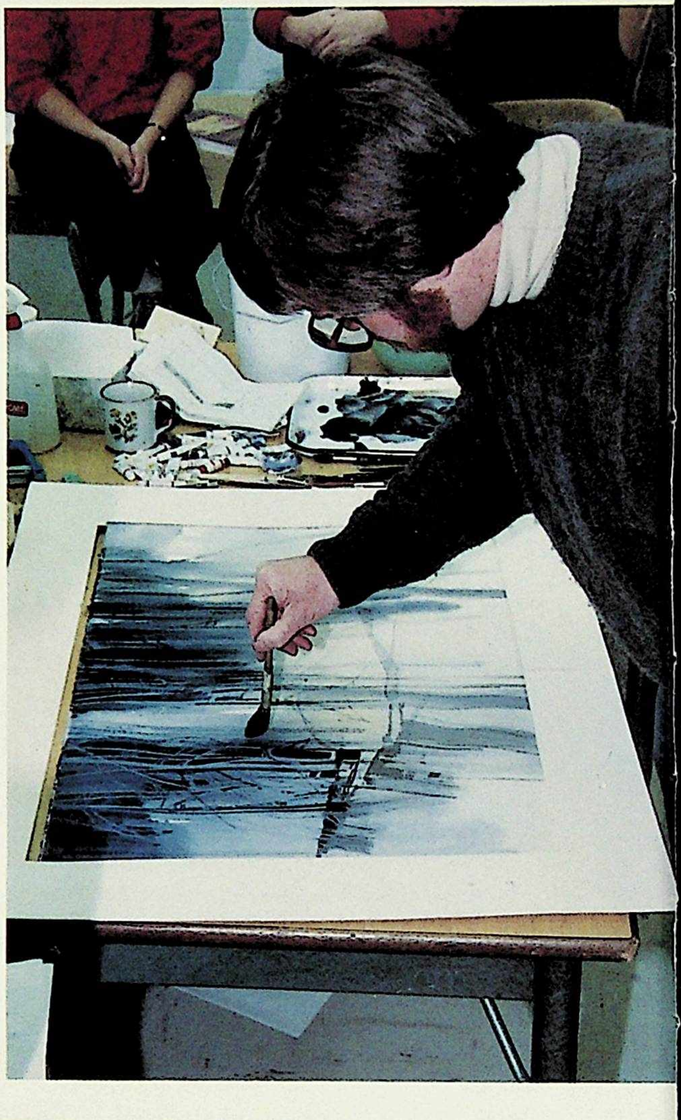
MODE

By: Carter Storozynski





Canadian artist Brian Atyeo presented a watercolor demonstration to the art students of McNally. These demonstration paintings were sold to various students and staff members. The school bought one which hangs in the staff room. Proceeds of the sale went to the Rick Hansen Man in Motion Fund.

In the second year of a three year development plan, both football teams had excellent seasons. The Junior team, coached by Mr. Kunyk, was undefeated in regular season play and advanced to the city finals against Salisbury. The Senior Team went to Calgary and defeated the Bowness Trojans, a team with a record of 39 - 3 over the past three years. The Seniors then went on to an undefeated regular season and advanced to the city finals against St. Francis Xavier. Both teams proved to be among the most physical teams in the city. Congratulations to these two McNally teams who greatly contributed to the traditional McNally Pride.

"The Tigers had a successful year with both teams finishing 1st in their respective divisions and advancing to the city championships. Both athletes and coaches enjoyed themselves. Thanks are extended to those dedicated individuals and parents for their commitment and efforts throughout the season."

THESE NUTS HAD GUTS!

This small, but dedicated, group raced in six meets, including cities, during the course of the season. Although too small to compete for team trophies, many fine individual performances were made as three members of the team qualified for provincials by placing in the top twelve in cities - Peggy Morrison 3rd, Robert Carstensen 12th, and Scott Gullion 15th (alternate).

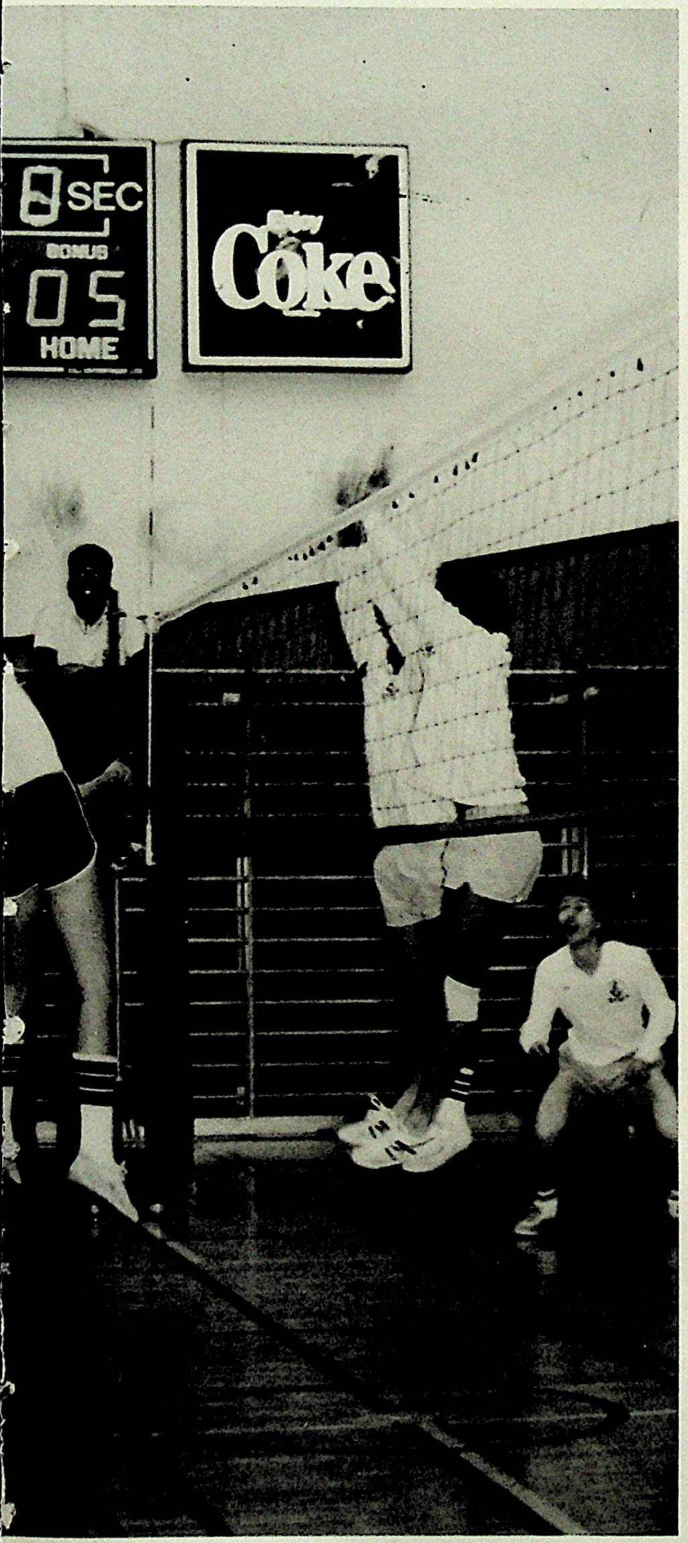
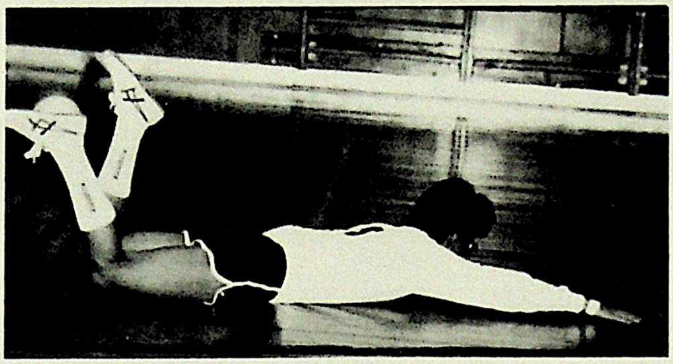
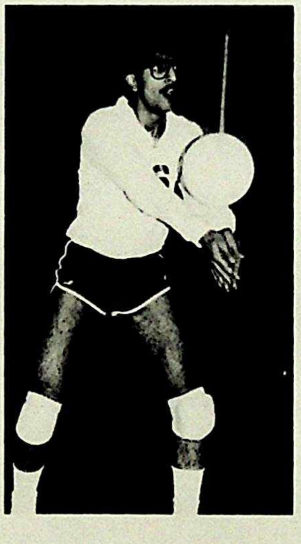
HIT THE FLOOR!







The boys volleyball teams had a good year. Although winning did not come easily, both teams participated in memorable events. The Senior team placed 6th out of 16 teams at the University of Saskatoon Tournament. As a result of hard work and practice, the boys were able to provide exciting and intense action during games. The Junior team advanced all the way to the quarter finals of the city championships. The team consisting mainly of grade 10 students, can look forward to bigger and better things in the season to come.

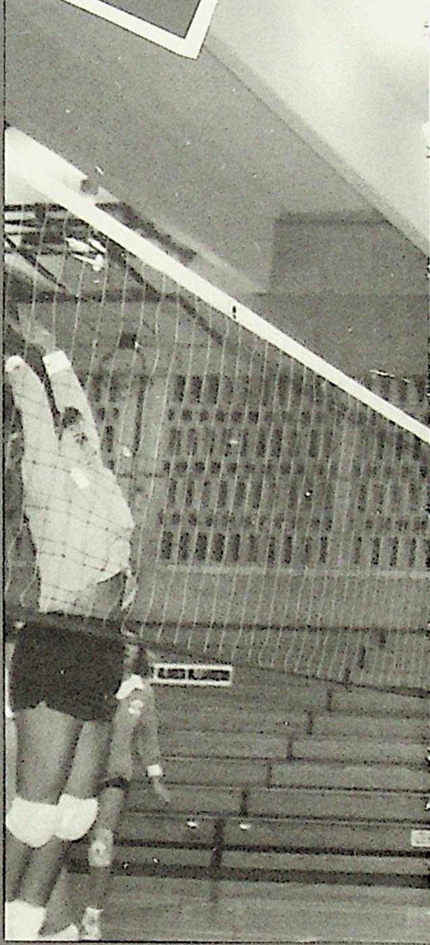
'LOUISE'



1986 was an excellent year in girls' volleyball. Both junior and senior teams continued the tradition of McNally Tiger Pride! The Juniors finished 3rd in the regular season standings and came back with a smashing victory over Jasper Place to win the city finals. The senior girls finished 1st in the regular season and earned a silver medal in the city finals, giving them a spot in the provincial playoffs in Calgary. It was there that the girls "creamed" their rivals Harry Ainlay, to win the bronze medal match. Congratulations to two outstanding teams and their fine coaches, Kim Ogrodnick and Deb Davidson.

WESTWOOD WARRIORS

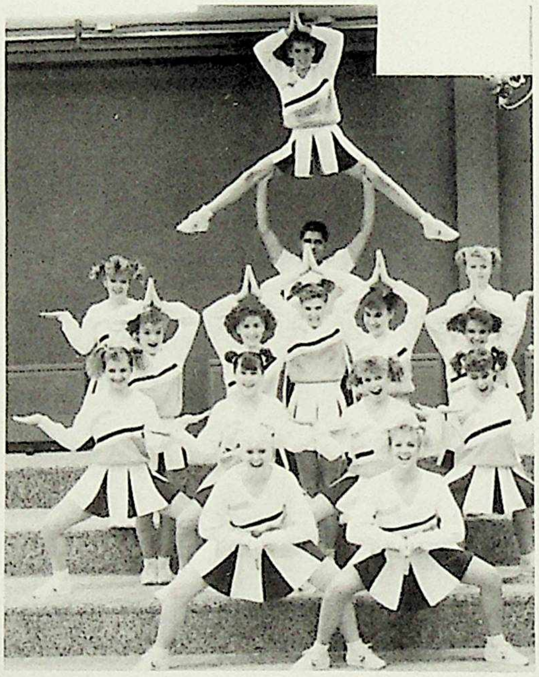
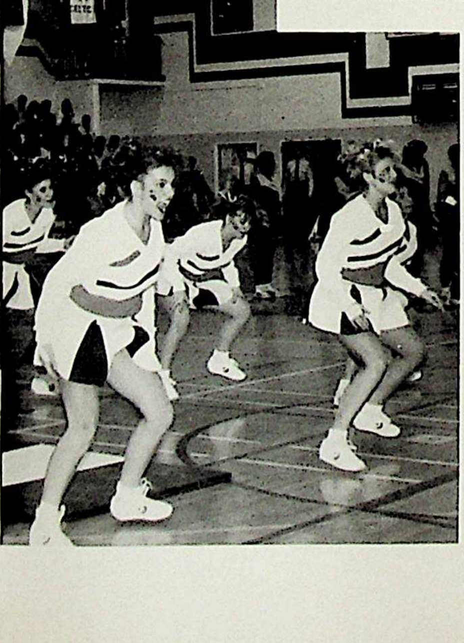
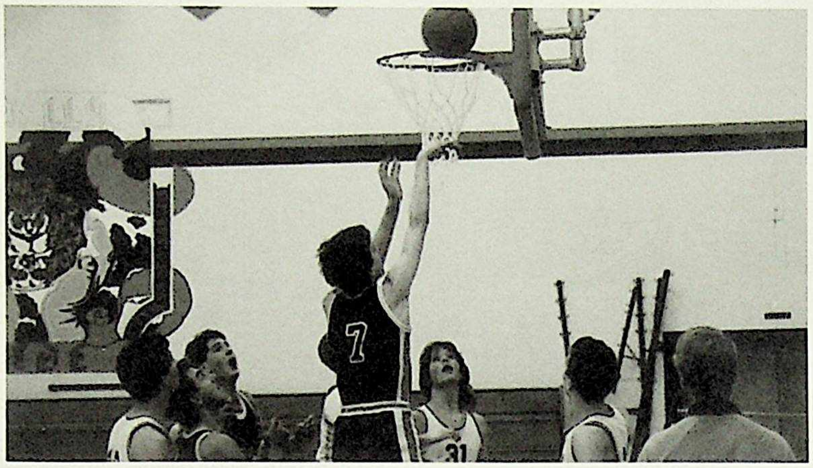
Jr. Cheerleaders



The McNally Senior cheerleaders have had a very prosperous year. Since September we have been attending sports activities, hosting school events and participating in competitions. In October the team qualified for the World Cheerleading Competition Finals in Chicago. The squad placed seventh at the Vic Redmen Invitational Competition, first at the Harry Ainlay Tri-Prov Tournament, first in the City Championship Competition and took the Bronze Medal at the Provincial Competition. In order to attend the World Final, large sums of money had to be raised and the squad would like to acknowledge the following sponsors:
Shaw cable, Edmonton Trappers Baseball Club, Rex Moore Union, McNally Composite High School Staff and Administration, and McDonald's Restaurant.



ALL THE RIGHT MOVES



The McNally Sr. Boys' Basketball Team had a stupendous 1986-1987 season. We finished the season losing to the St. Francais Xavier Rams in the city semi-finals playoff game. With excellent coaching by Bob Morris, there was great improvement and strong performances by all the players on the team. For many of us, this was the last year of basketball, and we hope that the McNally basketball program will continue to excell as many new and talented individuals will be coming up. Best of luck!
Errin Kimball and Troy Odynski (Captains)

The Jr. Boys' team coached by Darren Burr and Dave Youngs, had not a winning season, but a learning one. The team practiced hard and gained valuable experience this season.

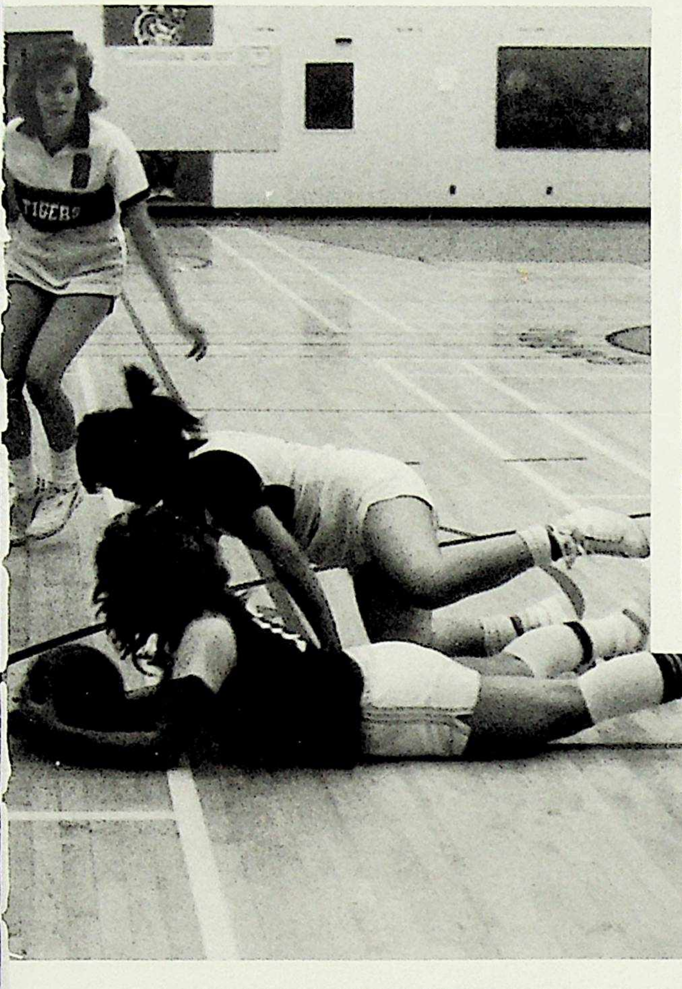
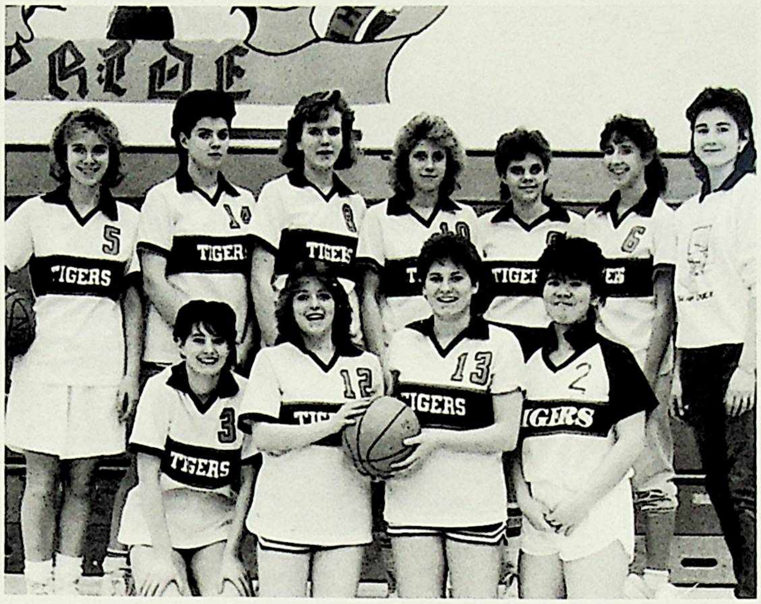
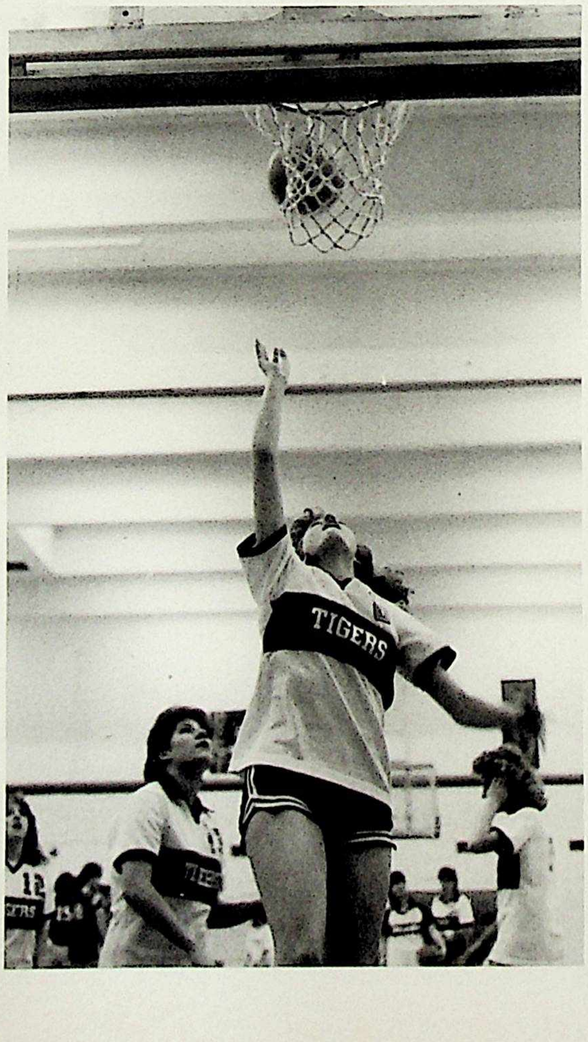
This year, the McNally Girls' Basketball teams had a reasonable season. The Junior team consisted of many newcomers. For the girls it was a year of learning and experience. Our Senior Team was coached by Mrs. Melney who was replaced mid-season by coach Algier. The girls competed in two tournaments this year, the Grant McEwan Invitational and the Paul Kane Tournament. Both teams worked very hard, and despite their achievements in the standings, their effort was tremendous.



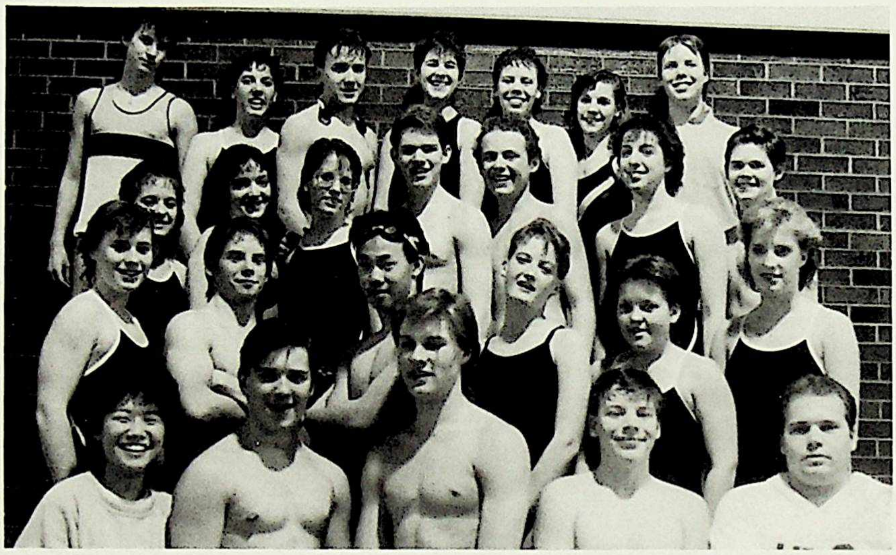


Members: Tracy Evert, Shelly Harysh, Lorrie Hanning, Terri McLean, Jill Prins, Danielle Putters, Cheryl Wittmeirer, Leanne White, Jackie Whittaker, Sheryl Alger, Jennifer Morin, Donna Gee.

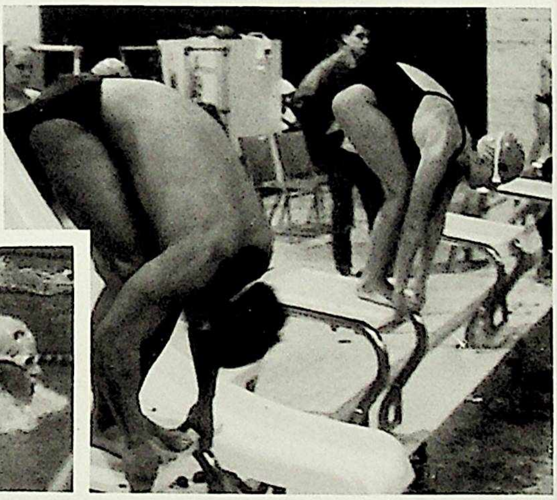


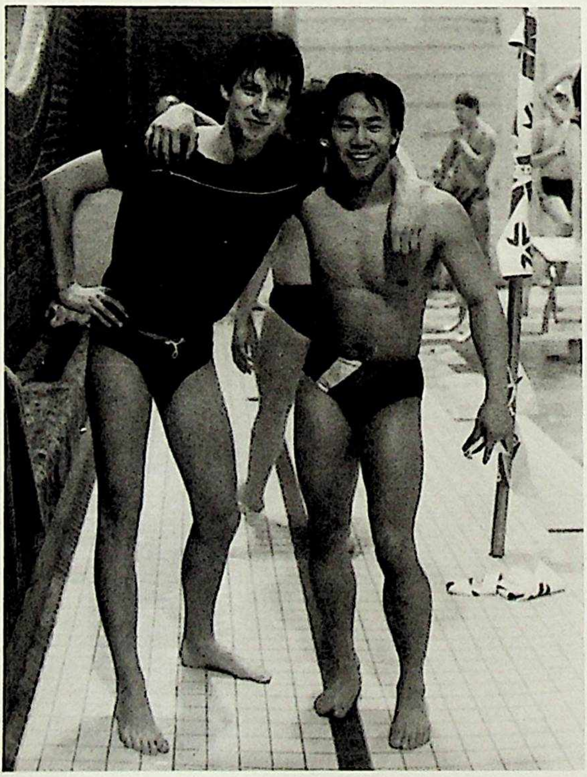
SPLASH!

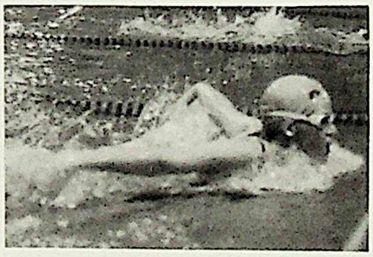
This year's Swim Team worked hard throughout the season, placing second in almost every meet entered. The swim team ended eleventh place over all at the city meet, held March 3, 1987. The following competitors achieved special recognition during the cities: Marvin Schaas, Denise Bower, Tim Chung, Amanda Chobater, Heathere McFadden, Chantelle Theoret, Mike Ewles, Peter Hlushak, and Sheila Harke.



Back: Mike Ewles, Heather McFadden, Russ Hlushak, Jennifer Lasychuk, Cathie Yakimishyn, Karen Senko, Kyle Barns, Lorna Manning, Lisa Doucette, Sheila Harke, Marvin Schaas, Byron Shier, Amanda Chobater, Jon Carstensen, Debbie Harvelok, Trevor Nyroos, Tim Chung, Chantelle Theoret, Karren Gillespie, Denise Bower, Jane Yi (ass't coach), Peter Hlushak, Darcy Schmidt-Paborn, Mike Weyer, Randy Whillier (coach). Missing: Chad Sheppard.

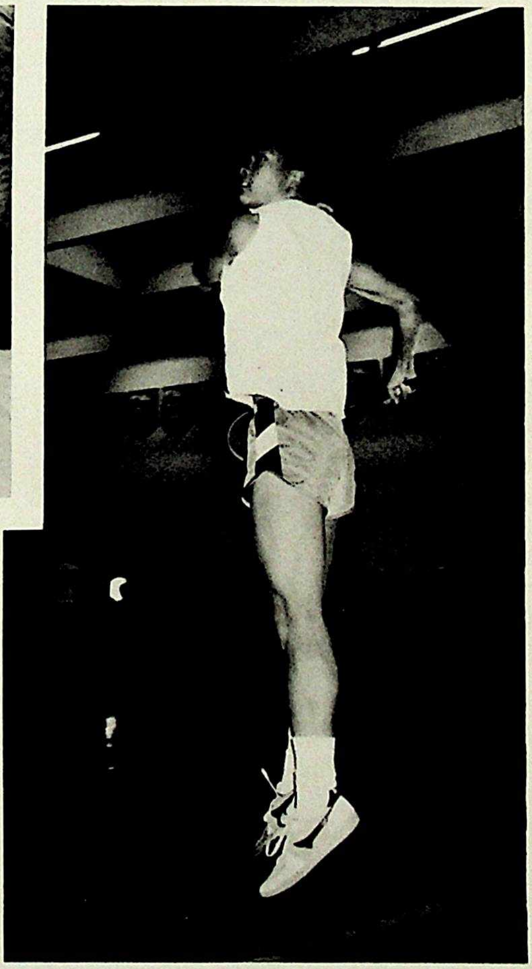


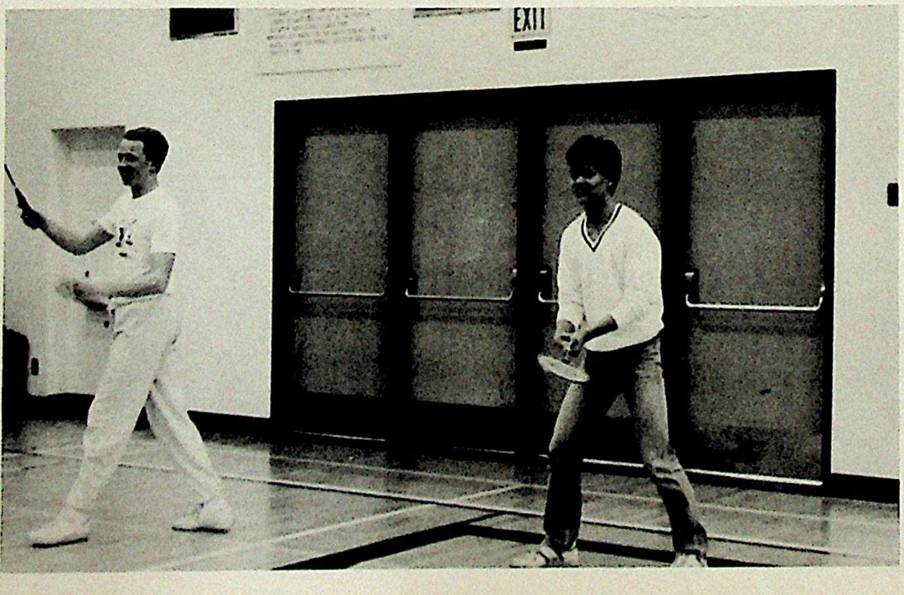




SMASHING SUCCESS

The McNally Badminton Team steadily accumulated points throughout the games and tournaments. The Tigers are to be commended for their fine efforts on behalf of McNally. Most of the team members are rookies to the sport, yet the team demonstrated wonderful spirit and much improvement in their games. We are proud of their many accomplishments. Way to go, TIGERS!





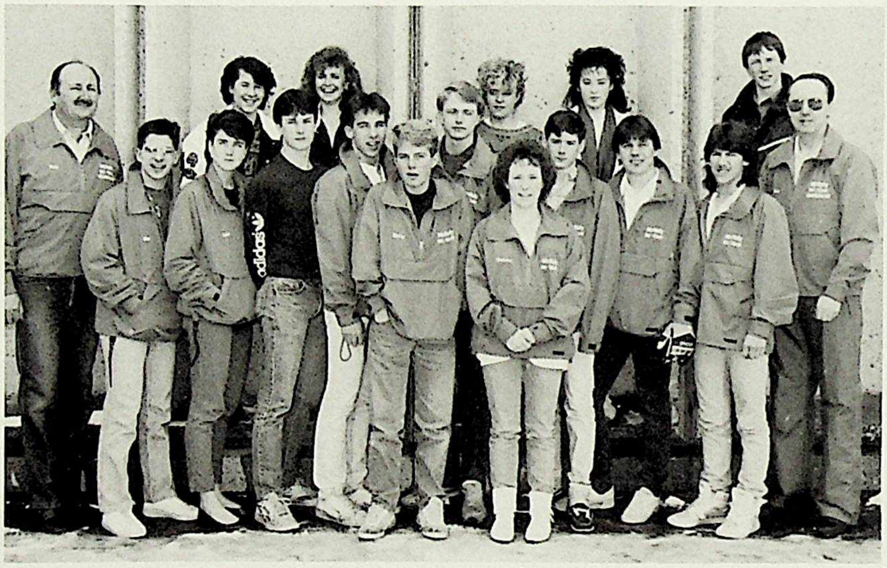
THE FUTURE OLYMPIC SPORT

A successful curling season, lasting from October until February, culminated with a windup social that included some curling, a supper, and award presentations on Wednesday, March 18, 1987 at the Ottewell Curling Club. A highlight of the season was a chance to view a draw of the Brier on March 10. Sixteen students representing McNally were involved in the High School Curling League, Monday and Wednesday afternoons from 4-6:30, at the Sportex, Northlands. The Seniors Boys' team finished their season in second place in the B event, the Girls' team placed second in the D event and one of the Junior boys' teams second in the C event. The other Junior boys' team ended their season in second place in the B event.

In February, in the City Playdown action, the Senior boys' and girls' teams were eliminated from the medals this year, but, the Junior Boys won the silver medals for their second place finish, losing in the finals. Next year we are looking forward to further successes with entries in mixed competition. A special thanks to Mr. Grant Fargey, for assisting with coaching, and to Mrs. Marg Williamson, of the Ottewell Curling Club, for coordinating the use of their facilities. Although soon to be on the scene of Olympic competitive sport, curling will always remain a lifelong, social activity. So next year, join us, to meet people, make friends, and have fun!

SKI TEAM

The McNally Ski team completed its first year of competitive skiing this year. Of the eight schools competing in the Hi-Star Racing series, McNally finished in third place. Jennifer Donoghue was the recipient of a bronze medal, in the female racer class. Coaching was provided by two McNally students Jim Shewchuk and Blaine Walker, both with a great deal of racing experience. Special thanks goes to Mr. Sware and Mr. Blonski who dedicated much time towards making McNally's 1st ski team possible.



Pictured from left: Mr. Tony Blonski — assistant team coordinator, Don Pillott, Lori Howden, Carri Stile, Dan Peet, Trish Mackarian, Rob Allen, Danny Forgrave, Simon Gale, Kara Boles, Theresa Griffin, Mike Vousden, Jennifer Donoghue, Kay Kliss, Cory Thomas, Tim Shewchuk — coach, and Mr. Dale Sware — team coordinator. PEP RALLIES

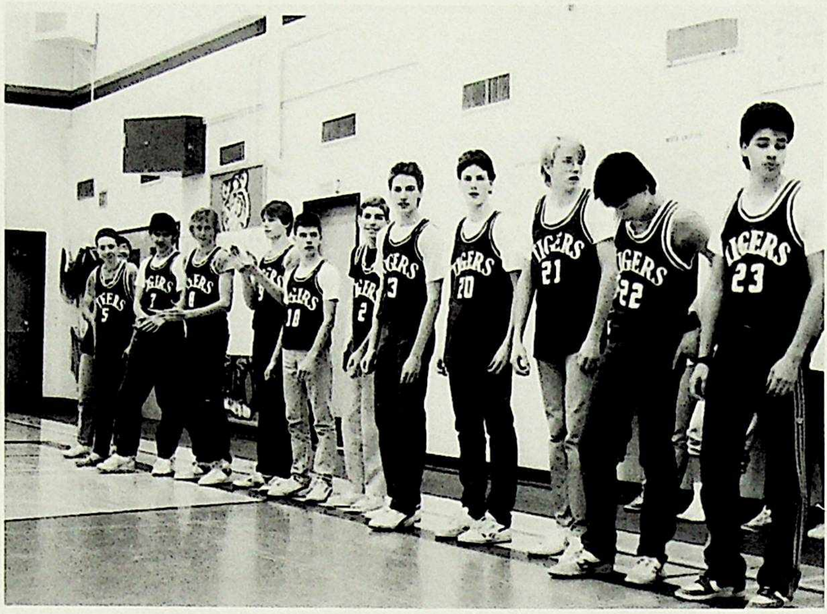
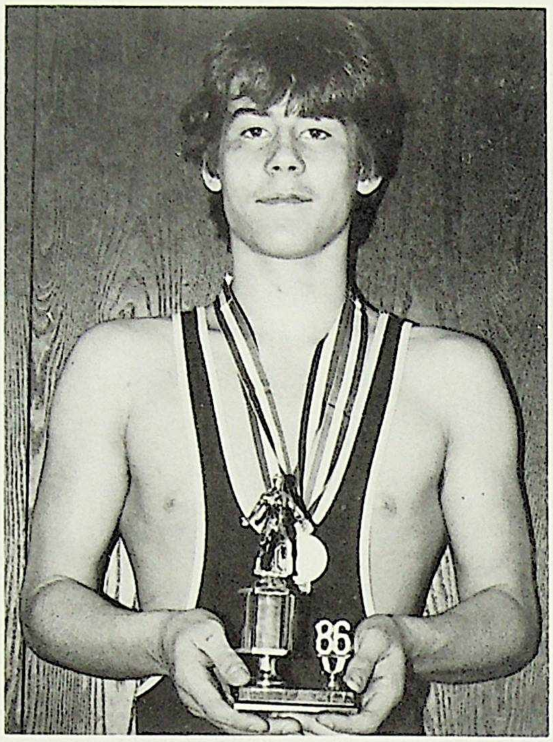
Although school spirit of pep rallies during the year was extremely prevelent, some students found it hard to contain their enthusiasm — like the two spectators in the bottom right hand corner of this page (YAH TEAM!). Pep rallies gave the cheerleaders and all the participating teams of McNally a chance to introduce themselves and receive encouragement from the student body.





Due to the fact that McNally has no wrestling team, WAYNE DIDUCK has been wrestling with the Salisbury Comp. H.S. team for the past two years. On December 5 and 6, 1986, Wayne competed in the Salisbury composite H.S. Invitational Wrestling Tournament. Many top-ranked teams entered, with 350 members coming from BC, Saskatchewan, and Alberta. Salisbury placed first, with sixteen of the nineteen wrestlers winning medals. Congratulations to Wayne Diduck for not only winning a gold medal, but for winning a "best wrestler" award as well.

OPEN HOUSE

This year's Open House was very successful with many thanks going to the various departments. The hallways were filled with many eye-catching displays, and the large gym hosted a basketball and cheerleading demonstration, while the cafeteria was filled with baked goodies, sold by the grad council. Also in the cafeteria was entertainment supplied by the McNally Music Department. Many thanks to all teachers and students for their help!

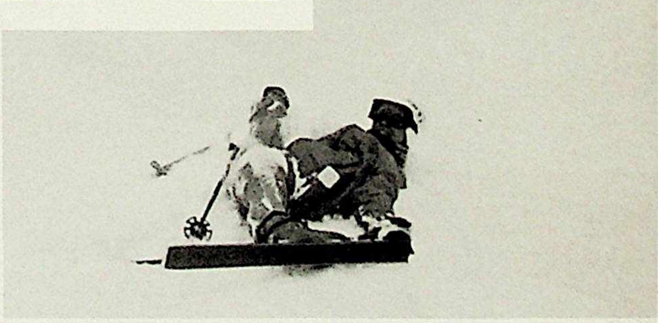
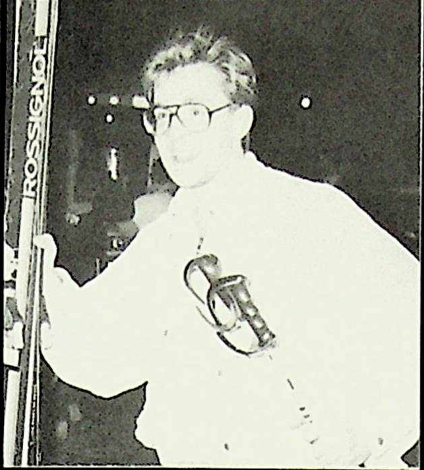
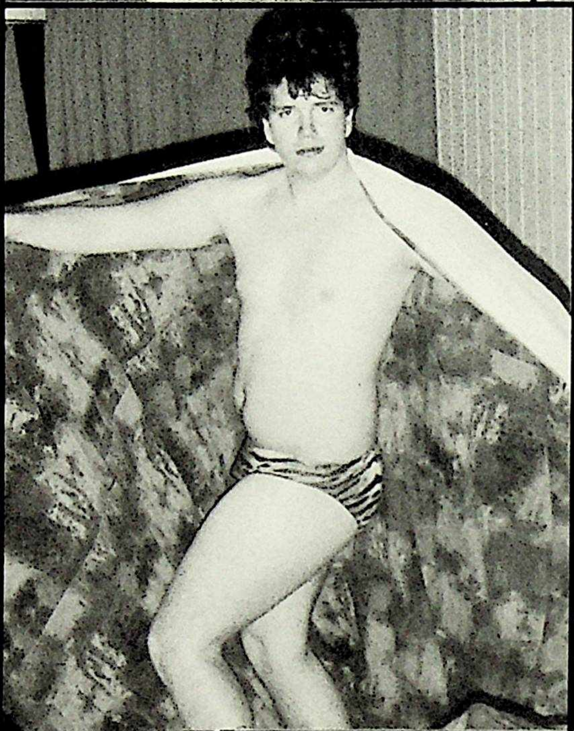
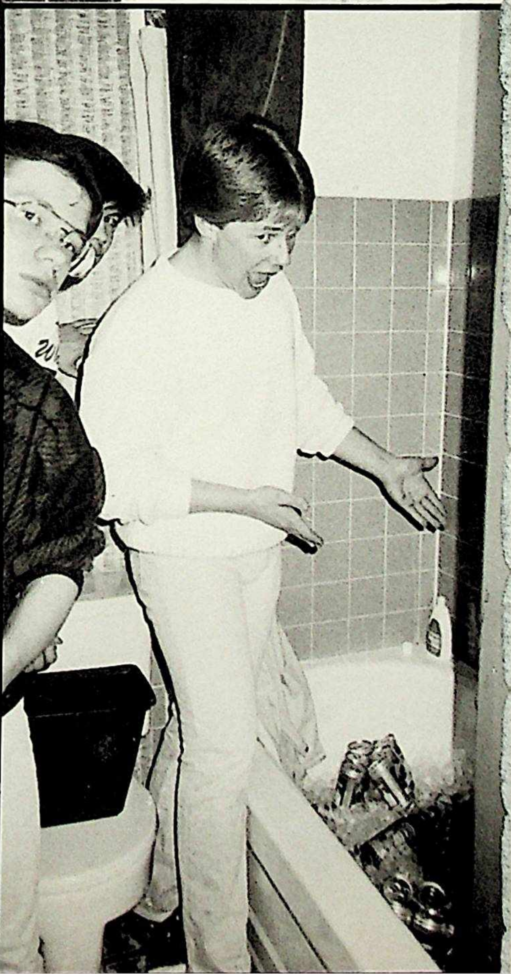
GRAD SKI TRIP

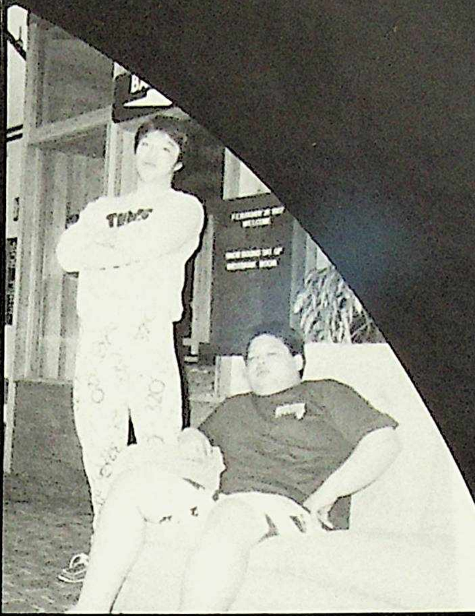




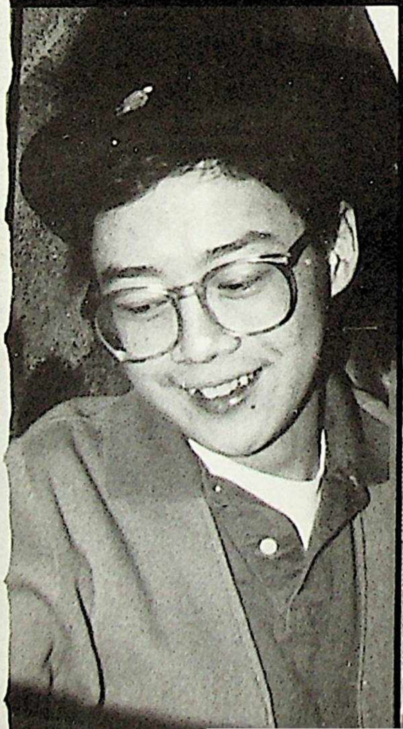
ROSSIGNOL

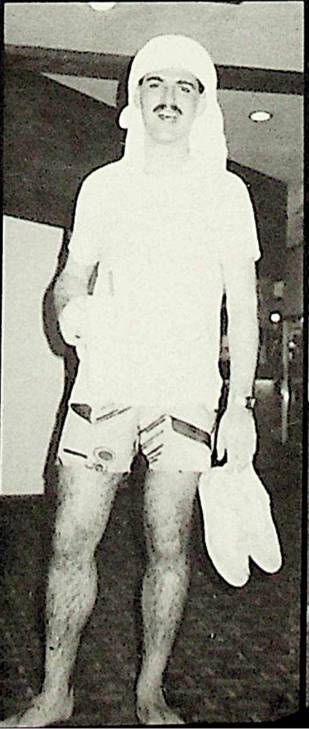


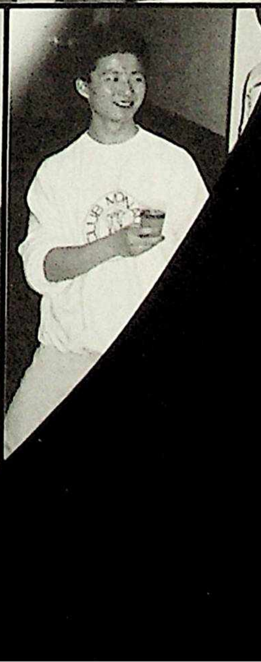


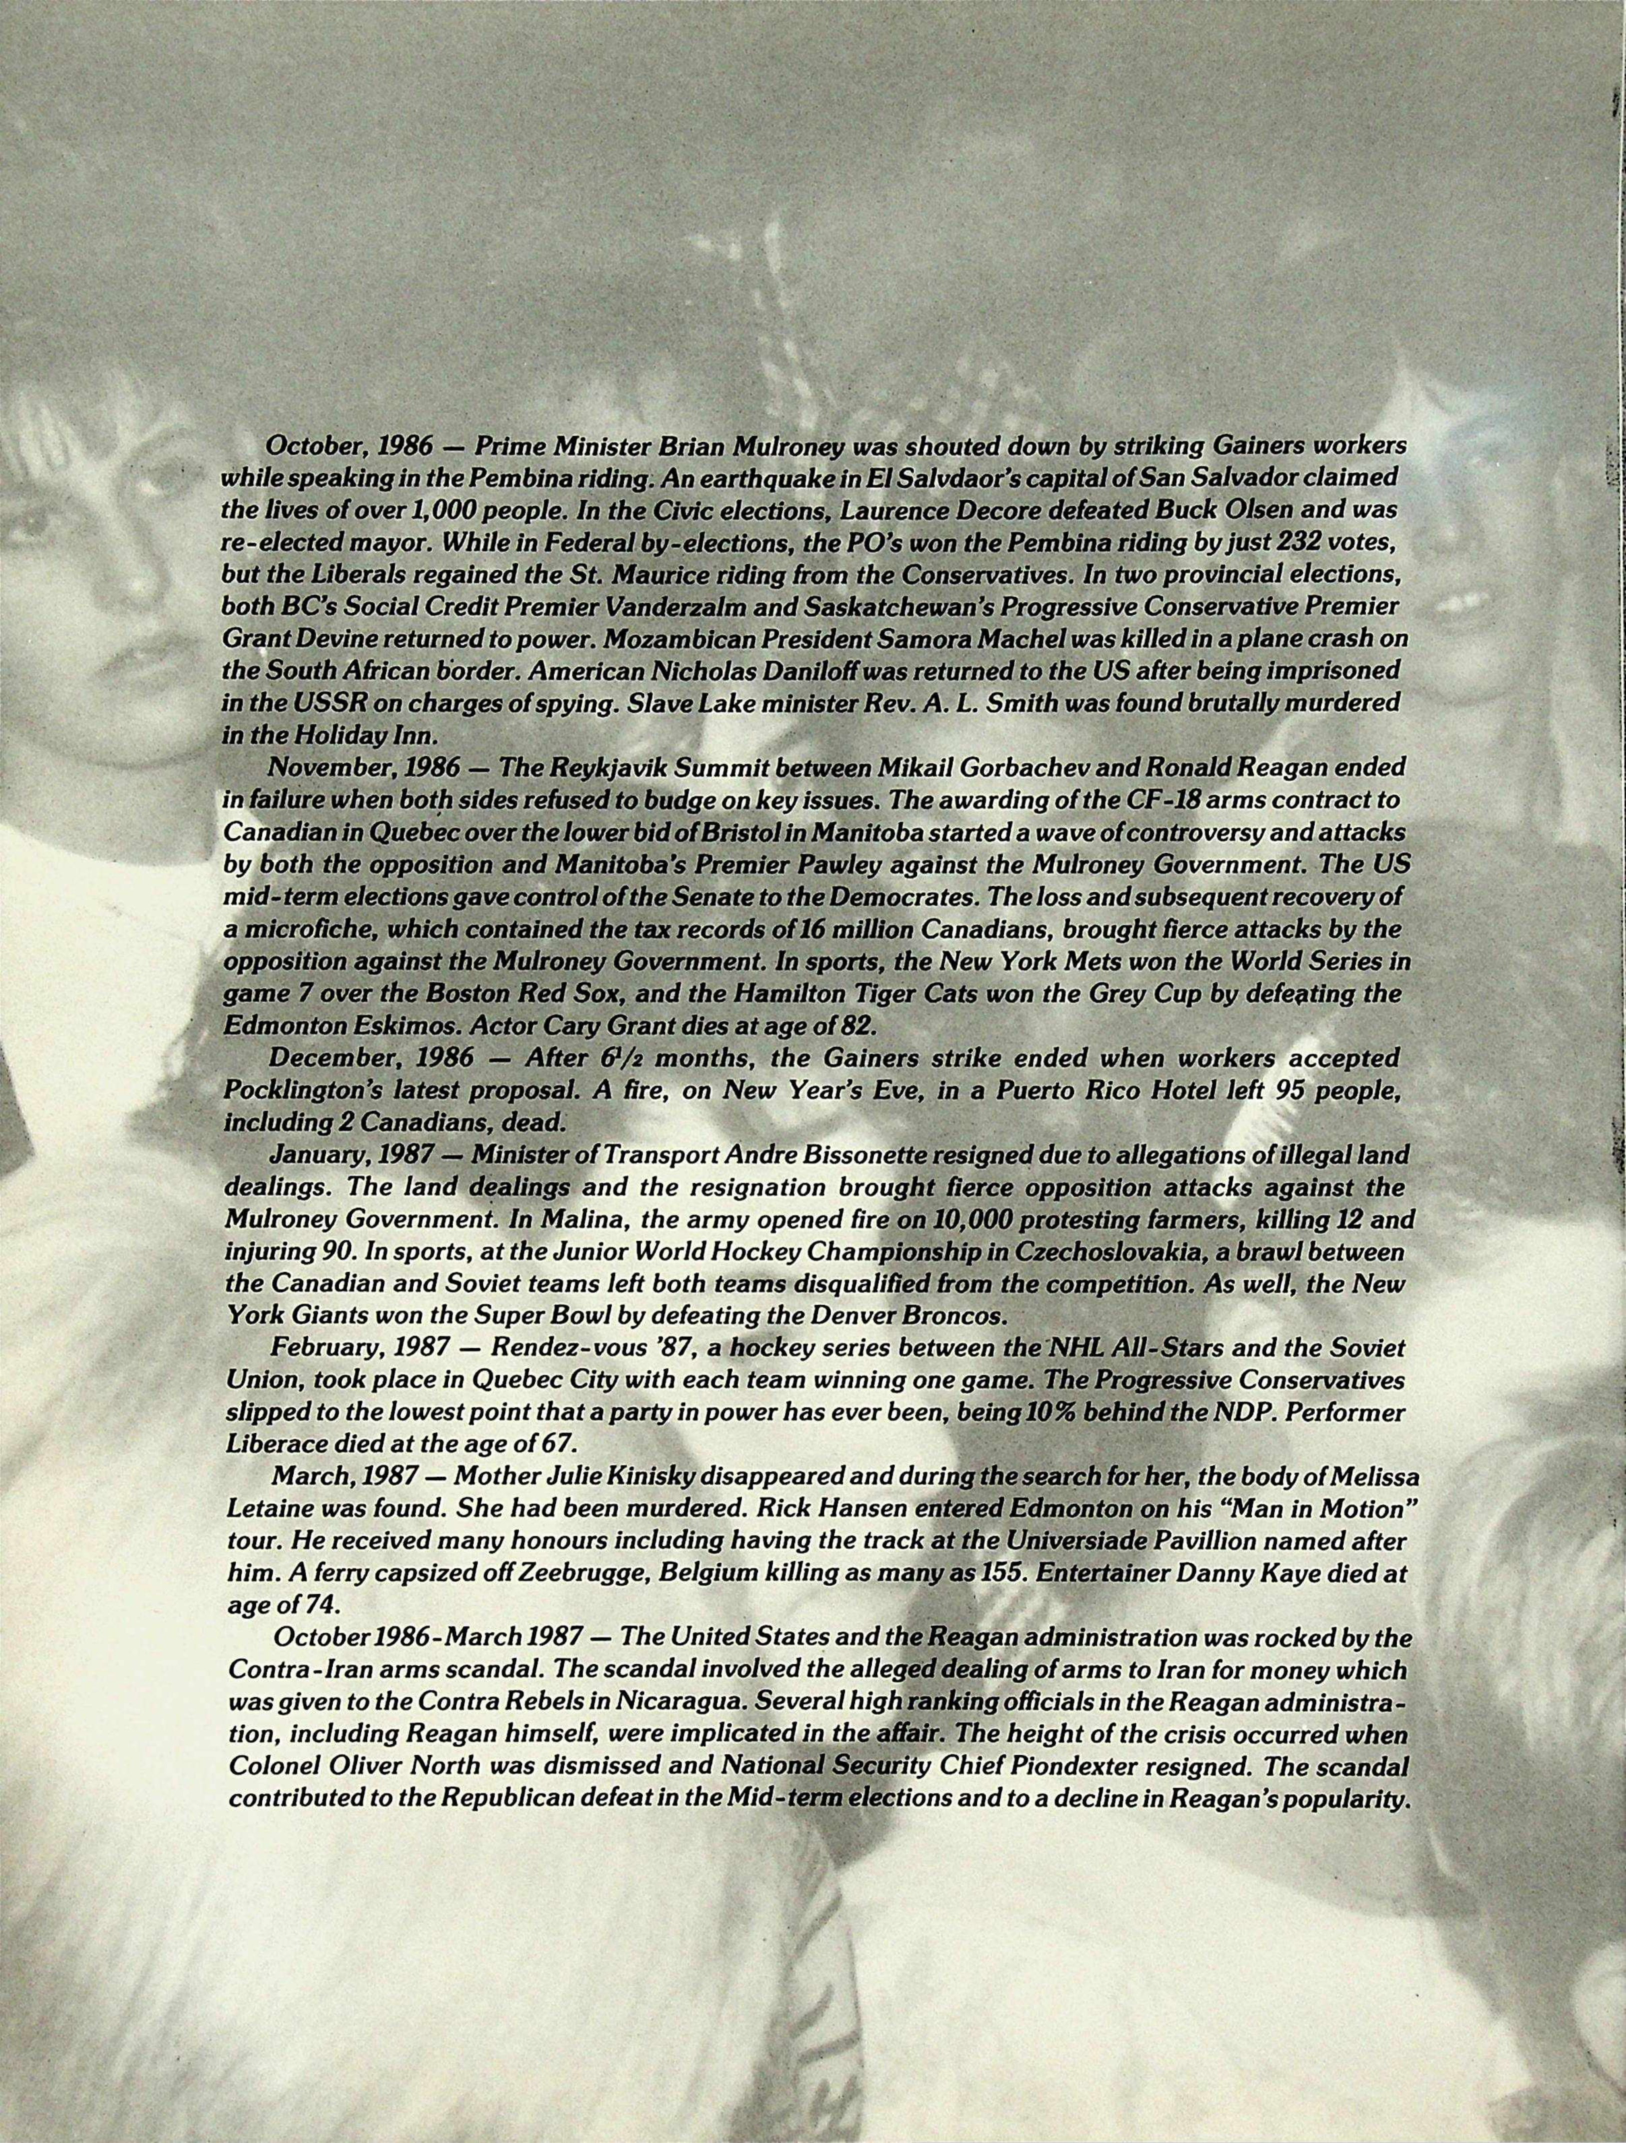


From February 25 to March 1, 1987, approximately 88 grads left for Big White, Kelowna on a non-school sponsored Grad Ski Trip. Accommodations for the grads were at the Sandmann Inn. Three full days were spent skiing on the spectacular slopes of Big White. Many thanks goes to the organizers and chaperones on this ski trip.









October, 1986 — Prime Minister Brian Mulroney was shouted down by striking Gainers workers while speaking in the Pembina riding. An earthquake in El Salvdaor's capital of San Salvador claimed the lives of over 1,000 people. In the Civic elections, Laurence Decore defeated Buck Olsen and was re-elected mayor. While in Federal by-elections, the PO's won the Pembina riding by just 232 votes, but the Liberals regained the St. Maurice riding from the Conservatives. In two provincial elections, both BC's Social Credit Premier Vanderzalm and Saskatchewan's Progressive Conservative Premier Grant Devine returned to power. Mozambican President Samora Machel was killed in a plane crash on the South African border. American Nicholas Daniloff was returned to the US after being imprisoned in the USSR on charges of spying. Slave Lake minister Rev. A. L. Smith was found brutally murdered in the Holiday Inn.

November, 1986 — The Reykjavik Summit between Mikail Gorbachev and Ronald Reagan ended in failure when both sides refused to budge on key issues. The awarding of the CF-18 arms contract to Canadian in Quebec over the lower bid of Bristol in Manitoba started a wave of controversy and attacks by both the opposition and Manitoba's Premier Pawley against the Mulroney Government. The US mid-term elections gave control of the Senate to the Democrates. The loss and subsequent recovery of a microfiche, which contained the tax records of 16 million Canadians, brought fierce attacks by the opposition against the Mulroney Government. In sports, the New York Mets won the World Series in game 7 over the Boston Red Sox, and the Hamilton Tiger Cats won the Grey Cup by defeating the Edmonton Eskimos. Actor Cary Grant dies at age of 82.

December, 1986 — After 6½ months, the Gainers strike ended when workers accepted Pocklington's latest proposal. A fire, on New Year's Eve, in a Puerto Rico Hotel left 95 people, including 2 Canadians, dead.

January, 1987 — Minister of Transport Andre Bissonette resigned due to allegations of illegal land dealings. The land dealings and the resignation brought fierce opposition attacks against the Mulroney Government. In Malina, the army opened fire on 10,000 protesting farmers, killing 12 and injuring 90. In sports, at the Junior World Hockey Championship in Czechoslovakia, a brawl between the Canadian and Soviet teams left both teams disqualified from the competition. As well, the New York Giants won the Super Bowl by defeating the Denver Broncos.

February, 1987 — Rendez-vous '87, a hockey series between the NHL All-Stars and the Soviet Union, took place in Quebec City with each team winning one game. The Progressive Conservatives slipped to the lowest point that a party in power has ever been, being 10% behind the NDP. Performer Liberace died at the age of 67.

March, 1987 — Mother Julie Kinisky disappeared and during the search for her, the body of Melissa Letaine was found. She had been murdered. Rick Hansen entered Edmonton on his "Man in Motion" tour. He received many honours including having the track at the Universiade Pavillion named after him. A ferry capsized off Zeebrugge, Belgium killing as many as 155. Entertainer Danny Kaye died at age of 74.

October 1986-March 1987 — The United States and the Reagan administration was rocked by the Contra-Iran arms scandal. The scandal involved the alleged dealing of arms to Iran for money which was given to the Contra Rebels in Nicaragua. Several high ranking officials in the Reagan administration, including Reagan himself, were implicated in the affair. The height of the crisis occurred when Colonel Oliver North was dismissed and National Security Chief Piondexter resigned. The scandal contributed to the Republican defeat in the Mid-term elections and to a decline in Reagan's popularity.

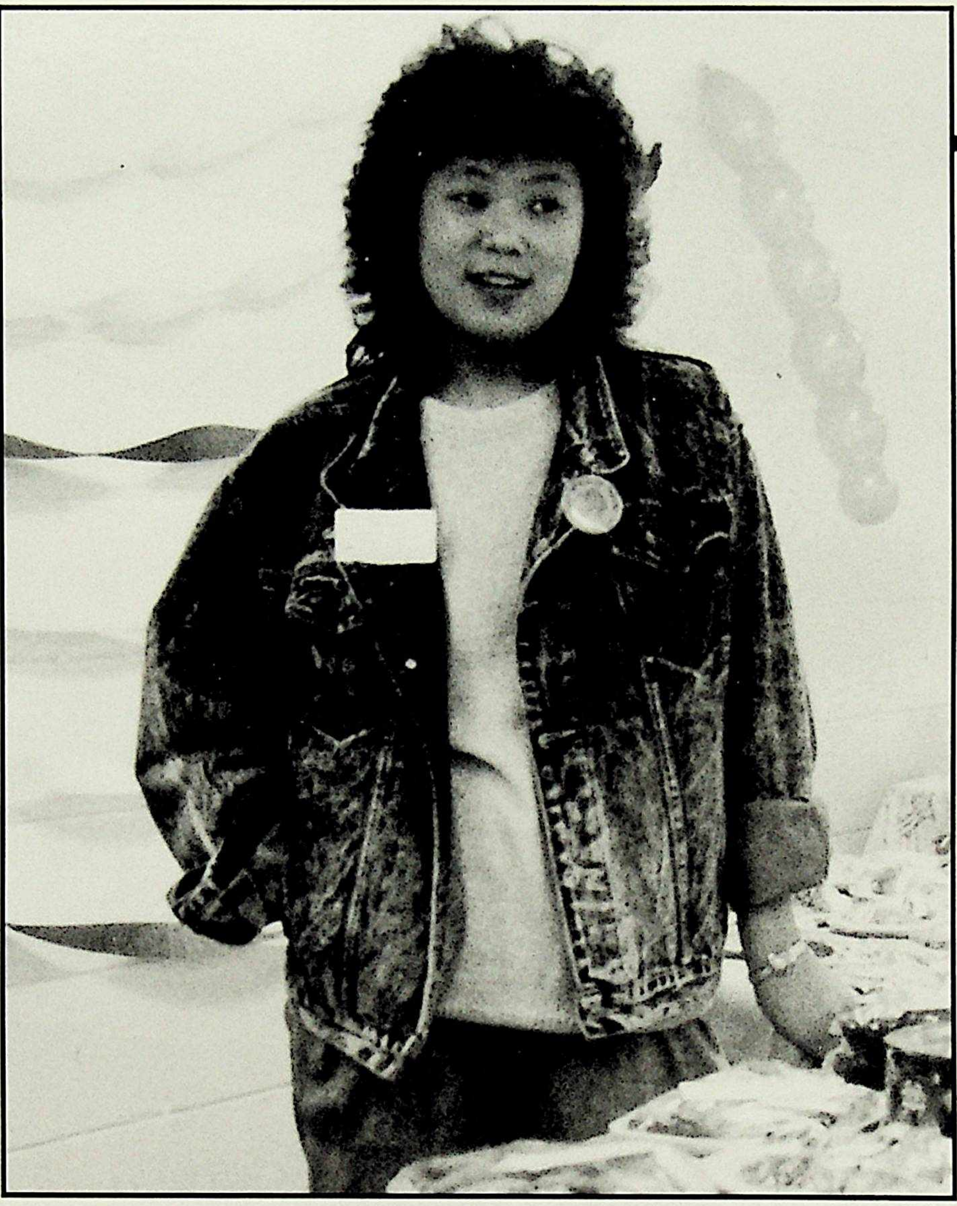
GRAD COUNCIL



Graduation seems to have caught us by surprise. When I think of the three years spent at McNally, I think of the hard work but most of all, I think of all the good times and friends that I have made. It will be a little sad leaving McNally realizing that we won't be returning in the fall and seeing our friends. For many of us, the next few years will be spent in University or College and for some, in the work force. Whatever you decide to pursue, do your best for the results will be rewarding. I would like to say thanks to all the Grads of '87 for their support and friendship and I would also like to acknowledge the Grad Council for their dedication and hard work. I hope that in the near future, we, the McNally Graduates of 1987, will all have the opportunity to reunite and remember all the good times that we have shared.

I thought one year is a long period for an exchange program before I came to Canada. Now I feel I came here a long time ago but how fast the time passed by! I hardly knew language nor culture & of course, I knew nobody. It was hard to learn the language and culture & to make friends from the very beginning. But it was a good experience & I'm really glad that I could spend a year in McNally. At last I thank my friends especially my good friends NA & MP.
